Fertigungsautomatisierung

- Automatisierungssysteme: SPS, Industrie-PC, CNC
- Feldbussysteme: PROFIBUS, INTERBUS, CAN, AS-i, Ethernet

Informations- und Kommunikationssysteme

- Netzwerk- und Systemintegration
- Teleconferencing: Ferndiagnose, Fernwartung (ISDN, Internet)

Zwei Welten wachsen aufeinander zu

Zwei Welten wachsen aufeinander zu

Die Fragen

Mit Ethernet bis zum Sensor?

Vom Feldbus zum Ethernet ??

Interbus vs. Ethernet?

Profibus vs. Ethernet ?
